**UNISTRUT ANNOUNCES
DISTRIBUTION PARTNERSHIP
WITH
POWERHOUSE DISTRIBUTION PTY LTD FOR NQ**

Access to the full range of Unistrut product for customers across North Queensland (NQ) has now become quicker and easier with a new distribution arrangement with Powerhouse Distribution Pty Ltd.

Currently, orders for customers in NQ are serviced from Brisbane, which has often lead to longer lead times across the network. Effective, May 1st, 2018, customers can come to expect quicker deliveries on key product lines, with core products being stocked locally.

Powerhouse Distribution Pty Ltd were chosen based on a comprehensive selection process adopted by Unistrut. Powerhouse have an established reputation for excellent customer service and currently service the electrical wholesalers in the region. They have an experienced team and maintain warehouse facilities that can manage the larger, 6 metre, Unistrut product easily.

Powerhouse Distribution Pty Ltd will be the exclusive agent for Unistrut in NQ. Unistrut customers can contact Powerhouse direct to place orders, check stock availability and pricing.

“Unistrut is excited about the partnership with Powerhouse Distributors and the ability it will bring us to improve service to our valued customers in NQ. They bring an extensive infrastructure, a great team and existing reputation that will no doubt benefit all concerned, ensuring stock gets in the hands of our customers quickly and effectively.”
